Happy July Everyone! I can't believe that June is almost over and we are less than a month away from county fair!

I want to start off this newsletter by congratulating everyone who went to Showcase Showdown! Sheridan County was very well! Grace Hinton took first place in the state in Table Setting and Presentations. Casey Prior took second place in prepared presentations and won a trip to present her presentation nationally and also was third place in the impromptu competition. Riggin Pearce was fourth place in the robotics competition. Well done Sheridan county at Showcase Showdown!

4-H camp was a huge success this year! With twice the members participating in camp that normally do, I am so impressed by how well all of the junior leaders stepped up to make camp a great time for everyone! Also I want to give a big shout out to Christina Kaminsky, Kandra Ankney, Donna Birkholz, Vicki Benedict, Tammy and Josh McKinley, Theresa Gorzalka, and Chris Sorenson for volunteering their time to Chaperone, cook, and jump in where ever they were needed at 4-H Mountain Camp! Without their help Camp would not have been the huge success that it was. I also want to thank Johnson County 4-H for letting us borrow their tents and canoes. Finally a huge thank you goes to my intern Chaney Peterson! Without her coordination and careful planning camp wouldn't have been the great time it was! Thanks for everyone who came and participated and made 4-H camp a memorable and enjoyable time!

Coming up this month we have state shoot! Please join me in wishing all of our members participating in that event good luck as they compete and represent Sheridan County in Douglas at the state competition!

Also coming up this month we have a lot of fair prep going on. Look for the last minute project meetings this month to help you get ready for fair. One big fair preparation to make sure you don't miss- is to make sure to get signed up for fair for all of the projects that you need to. This allows us to make preparations so that fair flows smoothly and efficiently. Also please make sure you check the fair schedule closely so that you don't miss anything necessary for your project!

Thanks everyone for your participation in all of our events over the course of the month of June! I am looking forward to seeing everyone at fair time!

-Liz Shaffer

I pledge my head

My heart to greater loyalty,
My hands to larger service,
My health to better living,

My community,
My country,
And my world.

Livestock Sale Information

VET CHECK AND SALE PICTURE TIMES!

There will be a vet check of all animals except for horses done before you will be allowed to get on the grounds. The vets will be stationed by the pavilion. Please get all animals checked before entering.

Also there will be mandatory picture taking times for the sale pictures. Pictures will be taken during the beef show (for beef, sheep and goats). Pictures for all pigs will be taken Saturday August 5th from 12-3:30. If you do not get your pictures taken during this time you will not be allowed to sell.

THANK YOU NOTES!

This year we are requiring all members who sell livestock to bring in a written thank you and stamped envelope to the extension office **within 30 days of the sale**, before we will release your sale check. When you bring in your thank you, you will receive the plaque/picture frame with you and your animal that you will be expected to deliver to your buyer and thank them in person (the plaque will no longer be given out at fair).

If you have any questions or concerns about these changes, please call the Extension Office.

Interview Judging

Questions you might be asked

- What did you think you might learn from taking this project?
- What did you like most about this project? Least?
- Did anyone help you decide what your project might be?
- What new things did you learn?
- How do you plan to use what you made?
- What would you like to learn next year?
- What was the most difficult part of your project?
- What other things did you do in this project?
- What did you learn about yourself?
- What did you learn about your decision making skills?

Good judges will want to see that you have learned more than just how to make a project. They want to see evidence of the Do, Reflect, Apply! You DO your project prior to fair, but interview judging then gives you a chance to REFLECT on your project. You get to tell about what you did, how you did as well as what went good or not so good along the way. You also get to tell them what you learned from your experience and how you might APPLY what you learned to shape new goals for the future.

Why is experiential learning so important? In order to retain the most from what you learned, you need to practice by doing and then teach others! So, during interview judging, judges may ask questions that help you to think through what you did in your project as well as describing the steps along the way. In turn, that helps you better retain

307 Livestock Judging Series Rules

2017

1. Open to current Wyoming 4-H members that are in good standing.
2. Contestants will be split into two divisions based on 4-H age: Senior (age 14+) and Junior (8-13).
3. To be eligible for the series awards to be given out at State Fair, contestants must compete in 2 eligible contests through the summer, plus the State 4-H contest.
4. Points will be awarded to the top 20 individuals within their respective division, in reverse order of placing.
 - a. Example: 1st place - 20 points, 2nd - 19 points, 3rd - 18 points, etc.
 - b. If there are less than 20 contestants within the division at a contest, the top score will reflect the number of contestants. Ex: 15 contestants in division – 1st – 15 points, 2nd 14 points, etc.
5. Rankings and award winners will be determined by only the best 2 placings at eligible summer contests, plus placing from the State 4-H contest.

Ex: Contestant A places 3rd at Natrona, 14th at Park, and 10th at State Fair, while not attending any other contest. This contestant will have earned 18 points, 7 points, and 11 points respectively for a total of 36. Contestant B will get points for the 4th (17) and 7th (14), place finishes, plus the 7 points for the 14th place State Fair finish for a total of 38 points. Leader Resources

Attention Leaders!!!

All new leaders and leaders who are in their 5th year and need to be re-screened are now required to complete training requirements before they will be screened and approved as a 4-H volunteer leader.

A **NEW** leader is required to complete two training pieces; in any order:

1. The Volunteer e-Learning modules accessible from the State 4-H website.
<http://www.uwyo.edu/4-h/> The password is **volunteer**.
2. The face-to-face New Leader Orientation, which is completed by Liz.

A volunteer leader in their **5th YEAR** is required to complete a training that will benefit their role as a 4-H volunteer.

Try this for a fun game or Team Building idea....

Game of Possibilities

- **Time:** 5-6 minutes
- Number of Participants:** One or multiple small groups
- Tools Needed:** Any random objects
- Rules:** This is a great 5-minute team building game. Give an object to one person in each group. One at a time, someone has to go up in front of the group and demonstrate a use for that object. The rest of the team must guess what the player is demonstrating. The demonstrator cannot speak, and demonstrations must be original, possibly wacky, ideas.

CURRENT LEADERS

You should have gotten an email explaining that you need to go online and complete the MVR Certification if you plan to drive 4-H members in the coming year. ***Every leader must do this every year!***

Upcoming Committee Meetings

- Livestock Committee - July 5 @ 6:00pm**
- Mtn Camp Board - July 3 @ 5:30 pm**

- 4-H Council - July 10th @ 5:30pm**
(second Monday of the month)

Are you interested in becoming a 4-H leader? Please contact Liz if you would like more information or would like to take the required training.
