And my world.

Happy Summer Everyone! I can't believe that it is summer time already! Seems like just yesterday we were shoveling heaping piles of snow!

We have two new faces in the office this month! First is Chaney Peterson. Chaney is a student at the University of Wyoming and is serving as the Sheridan County Summer Intern this year. Another new face in the office this month is Cori Enders! She comes to us from Miles City and will be our new administrative assistant. Welcome to both of them. This month we are also saying goodbye to Savannah. She will be attending Law school in the fall and we wish her the best of luck with her endeavors!

We have a very busy month this June. First up is County Shoot! Make sure you look inside and see the schedule for when each discipline is allowed to shoot. It is important you don't miss the time slot as their will not be a make up time after the competition. Also make sure you bring an item to share at the potluck on Sunday!

Also coming up this month we are hosting the Wild West Jackpot. This is a great opportunity for members to get some practice before fair with their animals. Also attached to this we are hosting some livestock clinics. The clinics provide a great opportunity for members to learn more about the animal they are raising and what they should be doing in order to get ready for the show.

Also this month we are hosting a horse progress show. This will be held June 24th at the fairgrounds. This is also a great opportunity to get some practice showing before the competition.

To round out the month we have 4-H Mountain Camp. If you are interested in attending camp please get your registration in by June 8th.

I hope to see you all at the 4-H activities!

Livestock Sale Meetings

Wednesday June 7th - 6pm - Extension Office

All members who are planning to sell livestock **must attend one of these meetings with a parent or guardian.**

Attendance of at least one meeting is **MANDATORY!** Failure to attend one of the meetings will result in an additional 10% commission to be added onto the per animal sale charge imposed to sell in the Junior Livestock Sale at Fair. If you attended the sale meeting in February, March, April or May you have already met your **MANDATORY** sale meeting requirement.

Additionally this year we are requiring all members who sell livestock to bring in a written thank you and stamped envelope to the extension office **within 30 days of the sale**, before we will release your sale check. When you bring in your thank you, you will receive the plaque/picture frame with you and your animal that you will be expected to deliver to your buyer and thank them in person (the plaque will no longer be given out at fair).

If you have any questions or concerns about these changes, please call the Extension Office.

3. To be eligible for the series awards to be given out at State Fair, contestants must compete in 2 eligible contests through the summer, plus the State 4-H contest.
4. Points will be awarded to the top 20 individuals within their respective division, in reverse order of placing.
 - a. Example: 1st place - 20 points, 2nd - 19 points, 3rd - 18 points, etc.
 - b. If there are less than 20 contestants within the division at a contest, the top score will reflect the number of contestants. Ex: 15 contestants in division – 1st – 15 points, 2nd 14 points, etc.
5. Rankings and award winners will be determined by only the best 2 placings at eligible summer contests, plus placing from the State 4-H contest.
 - a. If contestants attend more than 2 eligible contests during the summer, only the top 2 point totals will count. Ex: Contestant A places 3rd at Natrona, 14th at Park, and 10th at State Fair, while not attending any other contest. This contestant will have earned 18 points, 7 points, and 11 points respectively for a total of 36. Contestant B goes to 5 contests plus state fair, placing 4th, 7th, 12th, 18th, and 9th, with a 14th place finish at State Fair. Contestant B will get points for the 4th (17) and 7th (14), place finishes, plus the 7 points for the 14th place State Fair finish for a total of 38 points. Contestant B would be ranked higher at the end. It is beneficial to attend all the contests and be able to have a bad day.
6. In the event of a tie, it will be broken as follows:
 - a. Average of reasons scores from contests where points are used for final rankings.
 - b. Placing at the State 4-H Contest.
7. There will be awards for the top 5 in both the Senior and Junior divisions.*

Leader Resources

Attention Leaders!!!

All new leaders and leaders who are in their 5th year and need to be re-screened are now required to complete training requirements before they will be screened and approved as a 4-H volunteer leader.

A **NEW** leader is required to complete two training pieces; in any order:

1. The Volunteer e-Learning modules accessible from the State 4-H website.
<http://www.uwyo.edu/4-h/> The password is **volunteer**.
2. The face-to-face New Leader Orientation, which is completed by Liz.

A volunteer leader in their **5th YEAR** is required to complete a training that will benefit their role as a 4-H volunteer.

Try this for a fun game or Team Building idea....

Game of Possibilities

- **Time:** 5-6 minutes
- Number of Participants:** One or multiple small groups
- Tools Needed:** Any random objects
- Rules:** This is a great 5-minute team building game. Give an object to one person in each group. One at a time, someone has to go up in front of the group and demonstrate a use for that object. The rest of the team must guess what the player is demonstrating. The demonstrator cannot speak, and demonstrations must be original, possibly wacky, ideas.

CURRENT LEADERS

You should have gotten an email explaining that you need to go online and complete the MVR Certification if you plan to drive 4-H members in the coming year. **Every leader must do this every year!**
