Happy May Everyone! I hope you all are having great spring and are gearing up for the busy 4-H summer to come!

If you plan on showing pigs, lambs, or goats and haven't got your animals yet and need resources please call us! You have until June 1st to get your animals. We will be tagging animals on May 19th so make sure that if you can't make it to tagging that you contact the extension office or a livestock superintendent to come tag your animals. You will need a brand inspection on your lamb, goat or swine at the time of tagging.

Coming up quick is County Shoot. County shoot is a great event for members to showcase their year of hard work.

Also coming up in June is 4-H Mountain Camp. Mountain Camp is a great opportunity for all 4-H members and always a lot of fun! There are activities like canoeing, team-building exercises and lots of crafts!

Another great thing to watch for this month is project meetings! Project meetings are a good way to get ahead and get help with your project. Fair is only a few months away, don't wait until the last minute to get help because then it might be too late.

Finally if you are interested in going to Showcase Showdown this year please call the office and let me know and I can send you the link to sign up for the event. Showcase showdown is a great opportunity for everyone to attend!

Please remember to like Sheridan County 4-H on Facebook and watch your email for upcoming events, happenings and changes.

4-H/Youth Development Educator

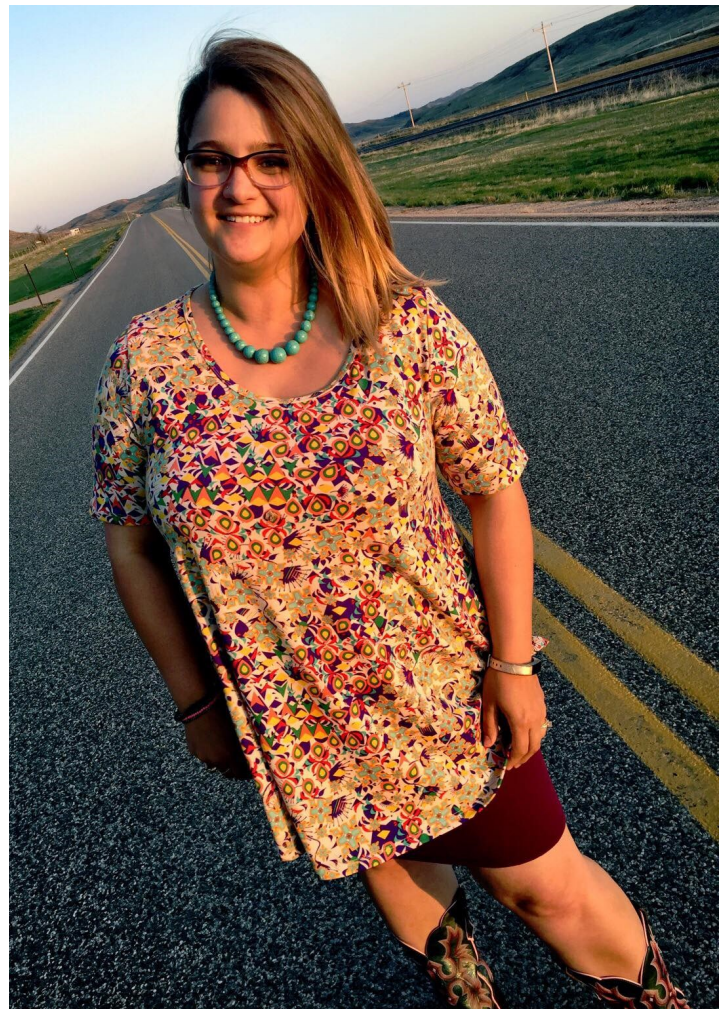

Emily Swinyer

The Extension Office would like to welcome Emily Swinyer as the 4-H/Youth Development Educator. She will start June 19th.

Growing up in rural Georgia, she gained an early love for all things homemade, hand raised, and home grown. Her love of working with children, science, and the outdoors prompted a professional career in education beginning in 2008 with her graduation from Georgia Southwestern State University. Upon moving to Wyoming, Emily continued working with Sheridan youth through library services, many after school programs as well as summer STEM Camps offered at Sheridan Junior High School. In her free time, Emily enjoys being outside on her family's small farm, working with animals, and having adventures with her husband and two children.

Please stop in and welcome Emily to the 4-H Family!!

Shooting Sports: Archery trainings have been completed for the new members. Archery will be held Sundays from 1-3pm at the exhibit hall. May 2nd for Shotgun is the tentative date to begin. Muzzleloading will be set depending on weather and mud. Tentative dates for muzzleloading are May 14th and the 21st.

All members HAVE to get the \$20 fee paid for the year in order to shoot. Most that aren't paid, aren't enrolled. Dan Kuchura is in charge of the shooting range. They have sponsorships for kids available for those who don't have the funds to pay their fees. Shooting sports is now listed as a project instead of a club with the state.

Problems keeping everyone updated on changes and cancellations. Email problems and families getting announcements. All members need to check on Facebook for updates.

Archery was packed. They will be checking on the email problem and possibly offer another safety training due to miscommunication.

Sheridan Livestock: Met April 8th. Club is shrinking. 5 kids that are consistently attending the meetings. Brainstorming Postponing the May meeting due to Mother's Day. PETting Zoo in May at teh Sheridan Manor for a community service. Dates to be set later. Talking about changing up the booth for carnival for next year. Awards Committee: At this point with all recent donations received: \$5880.00

Beef is getting alot of attention/donations. Please broadcast that money is needed in general, and other areas. Help encourage money to other areas.

Livestock Committee: FFA presentation on Ag Issues. Went very well. Bank has account has \$13209.00

Renegades club want to get USDA accepted for their animals. Concerns were brought up at the livestock meeting. Are you going to use the 4-H animals raised and shown to sell privately and labeled as a 4-H raised animal? It can't be labeled as 4-H if they are going to be a privately sold animal. Further discussion made and if further questions arise, the club needs to go to the livestock board.

Old Business:

Scholarship:

Interviews done today. Only had one applicant. Moved by Melissa to give whole \$750 as an award to the applicant. Seconded by Brenda. Motion carried.

Achievement Night: Set for October 28th

Expo: Set for October 13th

New Member Orientation: Set for April 11th at 6:30pm. Kandra working on this. Will need superintendents to attend the orientation.

Quality Assurance: We really don't know who needs what level and when? Have Cori get with livestock folks and get a list made?

New Business:

Melissa mentioned that she believes that we need to shorten the achievement night. Re-vamp the agenda to shorten things. Contact each club this year just prior to achievement night to find out if they will attend. *If unable to attend, have that club do a recap (limited number of words) of the year to read instead of the listing all members who can't attend.*

Move to adjourn by Donna and seconded by Brenda. Motion Carried.

ATTENTION

ALL LIVESTOCK EXHIBITORS:

Livestock Fitting Rule – All 4-H or FFA members must accompany, care for, groom, fit, and exhibit their own livestock at Sheridan County Fair. However, when needed, any bonafide Sheridan County 4H/FFA Member, parent, leader, or Advisor/Educator may assist with fitting, feeding, general care, and cleaning as long as the 4H/FFA member is present to help, learn, and interact. Assistance from a non-Sheridan County member will not be allowed or tolerated. *Violations of this rule must be reported to the Livestock Committee. Two warnings will be given and after that time the particular animal will be disqualified from showing in any classes it's entered in for the fair.*

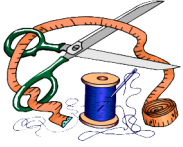

Market and Breeding Meat Goat 2018 Fair Changes

- 1.) No goat superintendent—position is still open to anyone who would like to apply
- 2.) Market and market breeding goats will show at the Sheep Show on Saturday. Dairy goats will show on Saturday morning like in the past.

We are still working on how to schedule the overall showmanship and one idea was to have dairy kids show normal then winners of the class would also have to have their animals ready that afternoon for the market showmanship for overall showmanship—which then would keep the numbers high enough for buckles.

Sewist/Quilting Workshops

Saturday, May 19th Fiber Arts Workshop:

Please join us for the May Fiber Arts workshop on Saturday, May 19th!

If you need assistance with knitting or crocheting, please RSVP to the 4-H Office by 5pm on Wednesday, May 17th, so that we can ensure that the knitting or crocheting leaders are able to attend.

Sewists and Quilters are asked to bring their machines, scissors, etc. as well as an adult to assist if possible. As usual, if the 4-H member plans to spend the day at the workshop, please bring a sack lunch as we will break for lunch sometime between noon and 1pm.

Quilters will make doll quilts. Bring 4 fat quarters, matching thread, and an 18 inch x 22 inch piece of batting.

Intermediate Sewists will meet in the morning, from 9 to noon. They are asked to bring their in-progress projects and we will work to complete them at this workshop.

Beginning Sewists will meet from 1pm-3pm. We will either make elastic-waist pants/shorts, OR a three-tiered, twirly skirt. If making shorts/pants, sewists will need to purchase a pattern for simple, elastic-waist pants or shorts (the pajama section of the pattern book is a good place to find these patterns), and the appropriate amount of fabric, with elastic and matching thread. Please pre-wash the fabric. Those making skirts will need 1/4 yard of cotton fabric (mid-weight quilting), 1/2 yard of cotton fabric (mid-weight quilting), and another 1/2 yard of cotton fabric (mid-weight quilting), plus elastic and matching thread. The fabrics chosen for the skirt should coordinate in some fashion. The 1/4 yard piece will be the waist area of the skirt.

Please contact Donna with any questions (673-4678).
