April
Newsletter

Sheridan County 4-H

Sheridan County 4-H families,

We made it to April everyone! I hope you all have begun meeting regularly with your project areas and are prepared for your livestock projects to arrive (if they haven't already). Youth Quality Assurance classes are underway and on the schedule. So if you are needing the next level, please plan to attend or satisfy the requirement online. Also check the Events Forecast for dates of Mandatory Livestock Sale Meetings and plan to attend ONE with a parent.

Carnival was a HUGE success and that is all thanks to you and your hard work. I was blown away by your creativity and dedication. A million thanks to our volunteers and club leaders who helped make this event the biggest on record!

Our office would also like to welcome our 2019 Summer Intern, Blake Toyne. Blake is from Johnson County and is an Agriculture Education major at the University of Wyoming. We are excited to have him join us and look forward to having him on the team this summer!

As our schedules begin to fill up, be sure to use the Events Forecast portion of your newsletter to help with planning. Our Facebook page, Sheridan County 4-H, is also excellent for the most current updates from our office. If you have questions about requirements or projects, call our office and we're happy to help!

LEADER TRAINING OPPORTUNITIES

2019 Volunteer Training Series

All trainings will be done via Zoom, and online learning classroom and run from 6:30—7:30 pm

Working Together—April 30, 2019

4-H brings together all different kinds of personalities, some of which we might not agree with or even enjoy working with. This training will provide you with ideas on how to work with others. You will be able to find out more about your own personality and why some people may drive you crazy while others always seem to be on the same page as you. Join us on April 30th from 6:30 – 7:30 pm via Zoom, an online meeting, as we learn more about ourselves and how to work together to encourage positive youth development.

Organizing Club Meetings - May 20, 2019 DATE CHANGE

Club meetings can often be chaotic. Members are easily bored and adults monopolize the conversation and learning. This training will provide you with tips and tricks to spend less time doing business and more time learning and having fun. Join us on February 26th from 6:30 – 7:30 pm via Zoom, in an online meeting, to learn more about organizing your club meetings.

A link to participate in the meetings above will be sent to your 4-H online e-mail account one week prior to the meeting. If you are unable to access the link or a computer, please contact your local 4-H Educator to talk about option. Hope to see you there!
