January Newsletter

Sheridan County 4-H

Sheridan County 4-H Families,

We made it! I hope you all had a restful and blessed holiday season. It was a great time to reflect on 2020- the good, the bad, the lessons learned, and the goals for what's ahead.

Things will start to ramp up pretty quickly as they typically do after the beginning of the year, so be on the lookout for important dates. Many of our learning opportunities will be offered online through Google Classroom and Zoom, so even though it looks different, there's still lots of good things happening.

Great news- Shooting Sports practices are beginning this month, YAYY! But, we are having to use time slots, so be sure to let our office know when you'd like to practice.

Also, if you haven't already done so- please enroll in ZSuite as soon as possible so you stay in the loop on all things 4-H.

Appreciation and Recognition - January 25, 2021

Recognizing 4-H members and leaders is so much more than your annual Achievement Nights. Come and find a variety of ways that leaders can recognize members and other leaders and why that is important. Member and leader appreciation and recognition is important for retention.

Using Technology - February 22, 2021

What is our new normal? Some 4-H clubs are meeting in person, some are still meeting via Zoom, some are hybrid. No matter how your engaging young people technology can aid us to help make meetings and events more fun. Come and gain new ways to use technology and SHARE ways that you are successfully using technology to reach leaders and members.

What Does a Great 4-H Experience Look Like - March 22, 2021

The Wyoming 4-H Leadership Team will join us as we look at great 4-H meetings and experiences. Hear directly from youth as to what they enjoy and love about their time in 4-H. We will look at ways to implement an engaging and fun 4-H experience for youth and adults.

Communication Best Practices - April 26, 2021

Communication is the key to success in a 4-H program. Key leaders from around the state will share communication techniques that work well for them and how you too can use them to communicate to your club and project members.

Hosting 4-H Meetings in Light of COVID-19

The health and safety of all 4-H members, volunteers, parents, guests, and staff is the top priority of the Wyoming 4-H Program. To help reduce the risks associated with the spread of COVID-19, the following guidelines from the Wyoming Department of Health and the Centers for Disease Control (CDC) should be followed to protect yourself and others.

- Stay home when sick and avoid contact with other people unless you need medical attention.
- Follow common-sense steps such as washing your hands often and well; covering your coughs and sneezes; and cleaning and disinfecting.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people by staying at least 6 feet apart.
- Wear cloth face coverings in public settings where social distancing is difficult to maintain.

To help safeguard the health and safety of our members and volunteers, the following guidelines need to be followed for all 4-H meetings.

Before Your 4-H meeting:

- Ensure that no more than ____ people are in attendance. The number needs to include everyone (volunteers, parents, members, siblings, guest speakers, etc.)
- Inform all possible participants to stay home if they are experiencing any of the symptoms of COVID-19 or have had known contact with anyone with COVID-19 in the last 14 days.
- Inform all possible attendees to stay home if they are considered at high risk themselves or if they live or work with individuals at high risk. (age 65+, are immunocompromised, or have other health factors identified by the CDC that increase risk if being exposed)
- Create and prepare any signs or documents that will be used at the event communicating procedures like, checking in, information for parents, expected times, etc.
- Wipe down all common surfaces as recommended by the Center for Disease Control (CDC). Common surfaces include tables, counters, doorknobs, light switches, countertops, handles, phones, keyboards, toilets, faucets, chairs, etc.

When everyone arrives:

- Have a “check-in” process in place and follow it - include providing hand-washing location, hand sanitizer, and directions for where to wait until activity starts to ensure practicing social distancing, etc.
- Take attendance. Be sure to write down the names of EVERYONE that attended and the date.

During the 4-H meeting:

- Maintain social distancing (6 feet) throughout the meeting or activity by households. You may need to be creative with different ice-breaker activities, roll-calls, etc.
- Ensure a protocol is in place and followed for use of any type of equipment. This may require planning of sanitizing equipment between uses. This is especially important for shared equipment like sewing machines, firearms, clippers, pencils, crayons, etc.

After the 4-H meeting:

- Have activities ready for individual youth to do while awaiting their pick-up. These could be handouts, games, etc, that don't involve contact with each other.
- Wipe down all common surfaces with a disinfectant as recommended by the Center for Disease Control (CDC). Common surfaces include tables, counters, doorknobs, light switches, countertops, handles, phones, keyboards, toilets, faucets, chairs, etc.

Preparing facilities for a 4-H meeting:

- Ensure that the size of the room or facility is large enough to allow for the number of expected attendees and in accordance with current Health Orders and County guidelines, this includes space to allow for social distancing.
- Space tables, chairs, shooting points, etc. farther apart to ensure social distancing (at least 6ft. apart).
- Wipe down all common surfaces as recommended by the Center for Disease Control (CDC). Common surfaces include tables, counters, doorknobs, light switches, countertops, handles, phones, keyboards, toilets, faucets, chairs, etc.

Should you have food at your meeting?

- At this time we recommend food or snacks not be provided as part of 4-H meetings. If you feel you need to provide food or snacks, please communicate with your 4-H educator on recommended safety protocols.

Summary

As a volunteer, your health and that of our youth members is of utmost importance and as such some engagement may be minimized at the request of a UW employee or UW 4-H Volunteer based on a health concerns associated with COVID-19.

By following the above best practices, we hope to offer more opportunities for youth to interact face-to-face within the parameters provided by your county health officials. If you have any questions, please contact your UW 4-H Educator for assistance or clarification.

Old Business:

Missing 2 items from Achievement Day – jacket and duffle bag. The jacket may have been found. Duffle bag will be replaced if not found. Plan in the future for things to be returned to the office if not picked up.

Flyers for schools – Emily waiting on Sheridan District #2 to approve. District #1 and 3 have approved. Will be sent out when this is completed. Flyers are to promote 4-H programs.

Meeting planning/Programming – Governor changes, review these for changes in number of people indoors. Statewide mask mandate.

Facebook advertisements for photography, painting, jewelry making, cooking, etc. Please send ideas to Emily. Goal of 4-H is 'learning by doing' and discussed some options and thoughts.

Leatherworking – could make kits to let kids check out, sanitize when returned to the office. Kings may be an option for leather donations. Others in the community who are not using tools may be willing to donate. Kids could check out different patterns, etc for 2 weeks (or other determined time).

Woodworking – have a volunteer for this to assemble kits

Geology – could do something with fossils. Gwen Kepley may be a resource for this. Emily has a number she can share too

Outdoor skills – could go along with Geology and looking for rocks and incorporated in this event. Someone could make a video for outdoor skills too and post.

Heidi called Sheridan Tent and Awning approx. 3 weeks ago and has not heard back re: green canvas 9-year duffle bags. Jessie will walk over on her lunch one day to f/u on this. Suzie to send a picture of the bag.

New Business:

Scholarship discussion – Melissa recommends putting this out in January via Facebook and Newsletter. Interviews via zoom most likely. Emily will plan an interview skills program for kids to practice.

No one has expressed interest in the shooting sports scholarship. Recommend targeting kids who are eligible, those who graduated in 2019 or 2020. Emily will email kids 1 more time, then done.

Carnival – pended discussion of having the Carnival and details until 1/21 meeting due to all the unknowns at this time.

Discussion was for raffle, this will be done as in years past. Chandra will talk with Jason about the big ticket raffle items. Drawing will be virtual this year, Facebook LIVE; challenge of tracking down the winners (will need to brainstorm how to accomplish

this). Tickets take approximately a week to print. Plan is to keep on track this year for timeline of Carnival (mid March) as in years past.

Suzie moved to approve raffle, Melissa 2nd – APPROVE

DATES to remember: 1/30/21 deadline for clubs to notify office of their donation item

Tickets will be sold for a few weeks, then drawing

Options for picking up tickets discussed – office is open currently could be an option, use entryway/or foyer; leaders volunteered to man table for pick up; maybe set 1 or 2 dates/times to pick up tickets.

WY 4-H King Ropes Hats Fundraiser – Sheridan County can do their own, green with white mesh limited edition. \$13/hat is cost, can sell for \$25/hat - \$12/hat profit; minimum of 50 hats but can order as many as desired. Emily will get a proof and send out to council. Will not be done in time for Christmas. Bighorn Design will make winter hats for fundraiser. Emily to send flyers to council and Emily will check with FFA how they determined how many hats to buy, Heidi to check with Tongue River High School Booster Club and will bring the information back to the January meeting.

PENDED until 1/21 meeting

Pros/cons discussed: have to preorder, date for # is TBD

number to be determined and do not want to be stuck with product (like with cookbooks)

Start with a small number (1/2 the members in 4-H or 1 per person)

People wear hats, some families will not wear them or sell them

Heidi offered to bead the cap bills if desired – could also teach members how to do this as a project area

Melissa moved to adjourn meeting, Jody 2nd. Meeting concluded 6:36 pm

Next meeting Monday 1/6/21 @ 5:30 pm via Zoom? We were planning to meet in person, but maybe via zoom?
