# Pocket Pet

## Meet Hanna

Hanna has been an active member of the Sheridan 4H program with her son since 2020, supporting his involvement in photography, independent study, horse, dog, swine, and pocket pet projects. A strong believer in the mission and impact of 4H, and the way it helps shape kids both personally and within their communities, Hanna stepped into the role of Pocket Pet Project Leader in 2024. Beginning in 2025, she will be expanding her involvement by assisting with the local horse and dog programs, in addition to joining the state dog 4H committee.

Hanna is deeply invested in helping kids grow, shine, try new things, and build confidence through their 4H experience. She truly believes 4H is an incredible program filled with impactful opportunities for youth.

# Beef Project

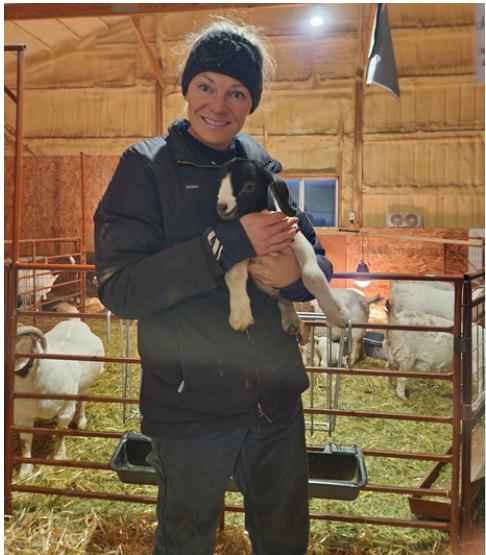

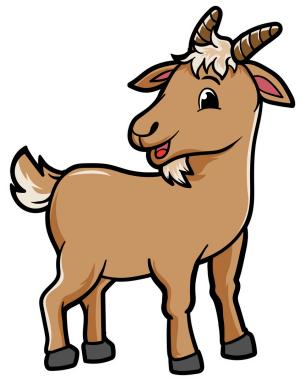

## Meet Rindy

I'm proud to serve as the Sheridan County Beef Superintendent and to continue working with a program that has been part of my life since childhood. Growing up in the 4-H Beef Program shaped who I am today, and last year gave me the opportunity to give back in a more meaningful way. Watching the kids grow in confidence, responsibility, and enthusiasm for their projects was incredibly rewarding, and their excitement made it an outstanding year for the program.

With more than 30 years of experience raising and showing cattle, supporting youth, and working behind the scenes at fairs and 4-H programs, I'm especially passionate about helping first-year beef members succeed. The learning curve can be steep, and my goal is to make the beef project feel achievable, educational, and even fun. By focusing on mentorship, hands-on learning, and encouragement, I strive to support every exhibitor, from seasoned showmen to those getting their boots dirty for the first time, while keeping the values of agriculture, animal husbandry, and pride in hard work strong for the next generation...and I love to have kids go show, as a way to exhibit all they are learning!

# Market Goat Project

**Hello my name is Brittany Gorzalka, the Sheridan County Meat Goat Superintendent.**

**I am a mom of 3 4H kids, ranch wife, coach, fairboard member, sale committee member and yes the "crazy goat lady" and we are the Gorzalka Show Goats family.**

**This is my 2nd year as goat superintendent. I love raising, showing and supporting youth in not only the 4H program, but love opportunities to help youth in the meat goat projects of market or breeding. If you are interested in the goat project, no matter your goals, please reach out and I would love to help you on your journey.**

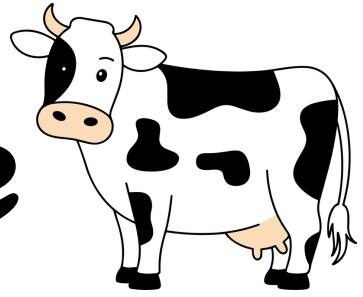

# Sheep Project

**Hello, my name is Lacey Sell, and I am the Sheridan County sheep superintendent! My 4-H journey has made a full circle from member to leader. I absolutely love my project area, and I strive to make this experience as educational and fun as possible for the kids!**

# Dairy Cattle Project

## Meet Rachel

"Hello! I am Rachel Reinholtz. This will be my second year as dairy cattle superintendent. I have had dairy cattle for about 10 years and enjoy teaching my kids about keeping family milk cows. Please come join us if you want to learn more about dairy cattle care, handling, or exhibition! P.S. dairy cattle not required!

## Upcoming Meetings

Extension Office

# Cat Project

Hi, I am Katie and I am going into my 4th year as the cat project superintendent for Sheridan County 4-H. I am a Sheridan County native and grew up on a ranch near Parkman. During my ten years of 4-H, I was involved in activities at the club, county, state, and national levels. I participated in the cat and horse projects along with many static projects. My favorite memory from my time as a member is the trip I took to Hawaii with my grandma as one of my chaperones. My husband and I are thankful that our three kids are now active members of Sheridan County 4-H. When I heard there was an opening for the cat project superintendent, I knew it was a great opportunity to become more involved. My goal is always to teach members about cats, but most of all to have fun with their projects!
