SUPREME DOE PROGRAM

Ensure you are completing the correct phase book.

Record Books are due at the time of entry into the Sheridan County Fair.

Incomplete record books will receive an automatic 0 score.

RULES and GUIDELINES

1. The Supreme Doe Program is open to all active 4-H and FFA members who reside in Sheridan County
2. Members must declare ownership and complete Supreme Doe entry form no later than the June 1st deadline.
3. Completed record books (obtained at weigh-ins, online or at the extension office) will be due on July 23rd. The judges will need adequate time to judge them prior to the county fair. Record books must be handwritten in black ink or typed on a computer.
4. Age Requirements: Phase 1 doe must be at least 1 year old by June 1st and had no prior freshenings. Phase 2 does **must** have completed Phase 1 the previous year and be shown with a kid at side.
5. Phase 1 and Phase 2 pairs **must** have the Sheridan County Supreme Contest ear tags put in place by superintendents by June 1st as well as a USDA scrapie tag/tattoo.
6. The supreme doe class and breeding market goat are different classes. However, goats from the Supreme doe program **must be** entered in both breeding classes as well as the Supreme Doe class. Projects must be fitted accordingly based on breed, age, production, etc.
7. If your project animal dies, contact the extension office immediately. Members are still a participant in the contest but will not receive scores for live show points.
8. Personal interviews and record book review will be held in July. Live placing will be held during the fair. A judges panel will be made up of appropriate local individuals. Members will be notified of the time and place of the interviews.
9. Interview questions may be asked about feed costs, types, cost of grain, management techniques, goals, difficulties, dehorning/disbudding, kidding, meat production, and any other areas of interest that the judges may wish to pursue.
10. Pens must be maintained through fair week. Clean bedding, fresh water and feed should be available

Date	Description of Items/Quantity	Total Spent

** Use this page similar to a check register. List each item purchased for your project. This can include, but is not limited to: feed, feed pans, medication, supplies, etc. This will help you to keep accurate records and divide out individual charges for the following charts.

Animal Health Records

Use this page to list animal health related expenses for the current year for the entire herd.

Category	Date	Description	Total Spent
Vaccinations			
Deworming			
Preventative Medication			
Dehorning & Castration			
Weaning & Shipping			
TOTAL			

Category Explanations:

Immunizations and Vaccinations: These vaccinations are yearly vaccinations given to does and/or bucks to maintain herd health. (Ex: C&D Toxoid)

Parasite Control/Deworming: These items are used to either treat/prevent parasites both internally and externally in your herd. These can include: Topical, dip, spray, ointments, injectable.

Preventative Medications: These medications are used to help treat or prevent some common issues seen in goat herds. These can include treatments for sore mouth, urinary calculi, pneumonia, etc.

Feed Expense Records

Record on this page all feed expenses and amount fed or consumed from the time your project started until present. (This is only applicable for doe)

In this section you will:

- Examine and explain your current practices for your does and kids.
- Calculate the cost for feeding your project.
- Analyze feed and supplements given to your project to maintain optimum health.
- Record the amount of feed purchased, weighed out or fed during the month.

Some reminders:

- Brand names do not matter, content and cost do.
- Be as specific as possible.
- Home grown feed should be listed as market value.
- Averages are okay and desired.
- Only calculate the animals in your project, not the whole herd (if it is a combined herd)
