MONTH HIGHLIGHTS

Summer is here, so hopefully everyone is ready for it! Fair Entry is currently open, summer Leather workshops are in full swing and 4-H Mountain Camp will be here before we know it!

Our County Shoot wrapped up at the beginning of this month, with the Awards Event here at the Extension Office on June 7 from 2-4.

On the calendar for the end of the month is a three-day clinic at which 4-Hers will learn how to build a fishing rod (either spinning or fly). Reservations are required by the 15th of June and space is limited!

Also on the docket is another Drone Workshop as well as a Photography Workshop that will cover Photo Essays and telling a story using images.

Summer always goes by entirely too quickly, so I hope everyone takes every opportunity to enjoy their time in the sun!

Health forms can be downloaded from the premium book. Poultry and rabbits are exempt as they do on-site health checks. All other animals being shown during fair must have a health form. Youth Breeding Sheep
- with still have fitted and slick shorn classes, however, there will only be one champion for each breed (fitted and slick shorn breed champions will compete against each other).
