4-H Educator's Letter...

I'm very pleased to announce that our tagged beef project numbers are up to 82 head this year! Hopefully our swine, lamb & goat tagging's will follow that same pattern and keep expanding with growth each year too!

Speaking of that, it's that time of year for those of you taking sheep, swine or goat projects to start searching for this year's 4-H projects! Just remember they need to have been born after Jan. 1, 2019 and when they are born closer to that date then they typically aren't an underweight project come fair time.

Calendars are starting to fill up and there are more opportunities than ever in Sweetwater Co. 4-H. The best way to stay in the loop is to 1st & foremost, get enrolled at 4HOnline.com! Then do yourself a favor & "like" our Sweetwater Co. 4-H Facebook page. We keep it updated constantly & anything that is going on in Sweetwater Co. & Wyoming 4-H will be posted there! And like every year, I look forward to working with all of you!

Happy Saint Patty's!

2019 Volunteer Training Series

All trainings will be done via Zoom, and online learning classroom and run from 6:30—7:30 pm

How to Engaging Parents —January 29, 2019

The 4-H program is about family. Many times parents will drop kids off or sit in the back of the room during club and project meetings. This session will present you with ideas and suggests to engage parents and other adults, getting the whole family involved in 4-H. Join us on January 29th from 6:30 -7:30 pm via Zoom, in an online meeting, to learn more about how to engage parents and other adults in your club or the 4-H experience in general.

Organizing Club Meetings - February 26, 2019

Club meetings can often be chaotic. Members are easily bored and adults monopolize the conversation and learning. This training will provide you with tips and tricks to spend less time doing business and more time learning and having fun. Join us on February 26th from 6:30 – 7:30 pm via Zoom, in an online meeting, to learn more about organizing your club meetings.

Support Your Project with Curriculum—March 26, 2019

Did you know that every project in Wyoming has learning books or learning curriculum to help members learn and grow in the project. During this training we will look at all of the projects that Wyoming has to offer and the wide array of curriculum that you can use to support their learning. Join us on March 26th from 6:30 – 7:30 pm via Zoom, in an online meeting, to learn more about the curriculum we use in Wyoming. This would be a great meeting for newer families, especially those in projects that do not have a leader to help them.

Working Together—April 30, 2019

4-H brings together all different kinds of personalities, some of which we might not agree with or even enjoy working with. This training will provide you with ideas on how to work with others. You will be able to find out more about your own personality and why some people may drive you crazy while others always seem to be on the same page as you. Join us on April 30th from 6:30 – 7:30 pm via Zoom, an online meeting, as we learn more about ourselves and how to work together to encourage positive youth development.

A link to participate in the meetings above will be sent to your 4-H online e-mail account one week prior to the meeting. If you are unable to access the link or a computer, please contact your local 4-H Educator to talk about option. Hope to see you there!

2019 4-H Shooting Sports Leader Certifications

In the spring months, the Shooting Sports Training Team will be coming to a county near you! If you are a new shooting sports leader or have reached five years since your last training, plan to attend one of these certification/training opportunities.

NATIONAL 4-H CONFERENCE - April 6 - 11, 2019

General registration due Friday, February 15, 2019 (Registrations received after Friday, February 15, 2019 are not eligible for refunds.)

Late Registration Deadline: Friday, February 22, 2019

National 4-H Conference is held in Washington D.C. and because it is the U.S. Secretary of Agriculture's premiere youth development opportunity, young people assist in the development of recommendations to help guide 4-H Youth Development programs nationally and in their communities. This is a working conference and delegates prepare in advance, attend workshops and develop recommendations during the conference, and, afterwards report accomplishments to the USDA they have achieved as a result of the conference.

Youth delegates selected to represent Wyoming 4-H are selected through an application and interview process. Members selected to attend may be awarded funding through the Wyoming State 4-H Foundation.

<https://4-h.org/parents/national-4-h-conference/>

CITIZENSHIP WASHINGTON FOCUS - June 15 - 19, 2019

Citizenship Washington Focus (CWF) is held each June. Delegates will learn about the democratic process, meet new people, see the sights of Washington D.C., meet Wyoming's U.S. Congressional Representatives, and experience our national government from a new perspective. This trip features tours and several nighttime events. Be ready to have a good time! There is not an application process – simply contact your local County 4-H Educator and let him/her know you would like to attend. The cost of the trip is approximately \$855 per person for youth (based on quad occupancy) and \$925 per person for adults (based on double occupancy). Transportation package \$175 per person. Some donor funds are available through the Wyoming State 4-H Foundation depending on the year.

<https://4-h.org/parents/citizenship-washington-focus/>

LEADERSHIP WASHINGTON FOCUS - July 14 - 19, 2019

Leadership Washington Focus (LWF) is a 4-H leadership program for youth entering grades 7 through 9. The program will take place at the National 4-H Youth Conference Center, just 1 mile from the Washington, D.C. border. For more than 50 years, thousands of 4-H'ers have participated in our high school program, Citizenship Washington Focus and now we are happy to introduce its precursor for middle school 4-H'ers, LWF. Middle school 4-H delegates will:

- Build confidence in their ability to motivate and direct others in meaningful action
- Practice effective communication with others through group discussion and public speaking
- Work with others to create and accomplish goals
- Develop an understanding of their own personal leadership style
- Exchange ideas, practice respect, and form friendships with other 4-H'ers from across the nation.
- Experience hands-on learning using the historical backdrop of Washington, D.C.

The cost of the trip is approximately \$625 per student/adult leader/chaperone

<https://4-h.org/parents/leadership-washington-focus/>

INTERNATIONAL

Come explore the world with us! You can experience the rich history and culture of Mongolia, Ghana, or Finland. The International 4-H Exchange Program is designed to advance cultural understanding, prepare youth leaders to become responsible citizens, spark an interest in learning about foreign cultures, and develop a cadre of Americans with cultural understanding who can advance international dialogue and compete effectively in the global economy. Current members of the Wyoming 4-H program (14-19 years of age) are eligible to participate. Members must have an interest in traveling internationally, learning about different cultures, and living with a host family. Applications are due January 1, 2019

Food Safety

Handling food safely is an important part of eating healthy. Eating contaminated or unsafe food can make you and your family sick. To be food safe, keep in mind the four food safety principles: Clean, Separate, Cook, and Chill.

Clean

- Wash hands with warm water and soap for 20 seconds before touching food
- Sanitize counter tops and clean kitchen utensils and appliances
- Rinse fresh produce with cool water before eating, cutting, or peeling

Separate

- Separate raw meat, poultry, and seafood from other foods while shopping and when storing in the refrigerator
- Keep raw food away from ready-to-eat food and use different cutting boards for produce and raw meat, poultry, and seafood

Cook

- Check internal temperature of food with a food thermometer
- Cook cuts of beef, pork, lamb, veal, and fish to 145°F
- Cook ground beef, pork, lamb, and veal to 160°F
- Cook all poultry to 165°F
- Heat leftovers and casseroles to 165°F

Chill

- Cold foods should be kept at 40°F or lower
- Hot foods should be kept at 140°F or higher
- Never leave food out of refrigerator for over 2 hours

Chicken Potato Packet

Ingredients

- 1½ pounds boneless, skinless chicken cut into 12 strips
- 4 potatoes, cubed
- ½ cup low-fat Italian dressing
- 4 Tablespoons grated Parmesan cheese
- 2 teaspoons ranch seasoning

Directions

1. Wash hands in warm, soapy water.
2. Divide chicken and potatoes on four 12x18-inch sheets of foil. Top with dressing, cheese, and seasonings.
3. Wrap foil around mixture and place packets on a cookie sheet.
4. Bake at 450°F for 40-50 minutes. Use a food thermometer to check internal temperature of chicken. Remove from oven when chicken is 165°F.

Makes 4 servings.

From the Cent\$ible Nutrition Cookbook, pg. 383.

Trivia

1. What are the 4 food safety principles?

2. What should you do before touching food?

3. Cold food should be kept at or below what temperature?
