PER UNIVERSITY OF WYOMING COVID-19 RECOMMENDATIONS AND GUIDELINES, THROUGH MAY 15TH, **ALL FACE-TO-FACE EXTENSION MEETINGS AND EVENTS ARE CANCELLED.** THIS INCLUDES ALL 4-H MEETINGS.

During this time our office will be closed. However, all Sweetwater County Extension staff will be working remotely and can be reached by cell phone or email.

We are doing our best to continue to serve our youth and families through online opportunities and providing resources.

Hello to all, and I hope you are all staying healthy during all of this madness! I have some updates to share with you concerning Youth Quality Assurance training for this year, how & when we will be distributing lamb, goat & swine tags, and of course, the fair & auction updates.

**Youth Quality Assurance:** Any 4-H or FFA member up for renewal this year for their Youth Quality Assurance training will be encouraged to get it done if possible through the classes being advertised on our Sweetwater Co, 4-H Facebook page. However, for this year and hopefully this year only, if a youth is not able to attend a YQA class then they will still be able to show and sell their livestock for this year, but they will be required to complete their needed renewals by next year. If youth are up for renewal this year and they do attend a YQA class, please let your leaders know so that they can get me an accurate list of everyone who was able to get their training done for this year. If you have any questions, please give me a call at 307-350-7735 or shoot me a text.

**Distributing Lamb, Goat & Swine Tags:** So we are in the process of getting our special-ordered buttons for the pig tags for this year but have been told that we are more than welcome to utilize the left over tags we have from last year. With that said, we will be having two different days when one can come and pick up tags from the office. The first day will be May 6th from 10am-5pm with a lunch break from 12:30-2:30. On this day it will be a first come first served from the tags. If we run out of tags on May 6th we will be putting it on Facebook and e-mailing you as soon as it happens so that no one is making a special trip to the office, just to find out that we ran out of tags. The second day that we plan to be distributing the remainder of the tags will be May 20th with the same hours of operation (10am-5pm with a lunch break at noon). The way it will work is we will have you come to the 4-H Office and call the office or my work cell to let me or Melissa know you are in the parking lot, we will need to know how many tags you need, who the tags are for and what species they will be for. If you plan to pick up tags for anyone else, we will first have to verify that they have paid their dues. **NO TAGS WILL BE GIVEN OUT UNLESS DUES HAVE BEEN PAID BEFORE HAND.** Once we have all the information we will gather up the tags you are needing, a how-to upload your tagged animal's picture to 4-H Online by June 1st. This is the Wyoming State's deadline and we must adhere to it. If you have any questions, please give me a call at 307-350-7735 or shoot me a text.

**Fair & Livestock Auction Update:** We will be having a fair and a livestock auction this year. That I can say with certainty. How they will look is still questionable at this point thanks to COVID-19. We will either be having an in-person fair & sale or a virtual one. We will be making the decision of which we will be having by June 15th, if not sooner. But even if we get to have an in-person fair & sale, it is very likely it will not be like fairs & sales we have experienced in the past. There could very well be changes that have to be imposed for this year to accommodate any restrictions we run into. I just ask you that you please keep in mind as we draw nearer to fair, to remember the good news, which is, we WILL be having a fair and a livestock auction this year, COVID-19 or not ! If you have any questions, please don't hesitate to give me a call at 307-350-7735 or shoot me a text.

Thanks & Stay Healthy!

Marty

## Eastern Wyoming College Livestock Judging Contest Delivered On-line

### When:

May 2, 2020 ~ 9:00 a.m.

### Where:

Live On-line

With the current recommendation around the coronavirus this contest will be held online. Once you register, you will receive instructions on how to connect to the contest. Youth will need to compete on the day of the contest at 9:00 a.m. as if they were at a live contest. They will need to have internet access on a technology device and an email account. Each class will be posted for a set time and then taken down. Youth will record reasons and send them in.

### Registration Information

All contestants need to pre-register by:

April 29, 2020 at:  
<https://bit.ly/307judging>

For questions contact: Georgia Younglove (307) 799-5419  
Zane Mackey (307) 575-4756

For more information about the 307 judging series contact:

Caleb Boardman

**What are you planning on doing with your animals?**

Interstate Movement is transporting livestock across state lines. This movement requires:

- **Health inspection** and a **brand inspection** for sheep and cattle. Only a **health inspection** for goats and swine. Health inspections must meet the requirements of the state you are entering.

Intrastate Movement is transporting livestock within the state of Wyoming. This movement requires:

- **Brand inspection** if crossing county lines with cattle and sheep.
- No **health inspection** is required unless attending an event that has their own requirements.

Purchasing livestock requirement:

- Buying animals from out-of-state, seller will need to provide you with a **health inspection, bill of sale and brand inspection** if coming from a state that requires brand inspections.
- Purchasing from an in-state producer, seller will provide you with a **bill of sale**. For cattle and sheep you will need a brand inspection as well.

Selling livestock requirements:

- If animals will be leaving the state you will need to provide the purchaser a **bill of sale and health inspection**. **Cattle & sheep will need a brand inspection** as well.
- Animals staying in state require a **bill of sale**. **Sheep & cattle will need a brand inspection**.

Created by Dawn Sanchez

Updated: January 2020

**Wyoming 4-H Livestock Movement Guide For Beef, Sheep, Swine and Goats**

✿ Are you planning on going to a jackpot, camp or workshop?

✿ Are you selling livestock?

✿ Are you purchasing livestock?

**Do You Need a Health or a Brand Inspection? Or Both?**

**Brand Inspections:**

All producers selling cattle and/or sheep or moving animals across county or state lines (for any purpose) are required to obtain a brand inspection. Pigs and goats do not need a brand inspection only health inspections.

In the State of Wyoming there are different brand inspection options depending on the purpose of the movement.

**A Form** - a document that is used for intrastate and/or interstate movement of livestock, also issued for a change in ownership. Good for only one trip.

Cost: \$1.85/cattle, \$0.40/sheep + one trip charge

**B Form** - a document issued at licensed Wyoming livestock markets as a title and clearance to destination.

Cost: \$1.85/cattle, \$0.40/sheep + one trip charge

**L Form** - a document issued as a permanent lifetime inspection to the owner of livestock used for rodeo, show, pleasure or work. Is void upon change of ownership.

Cost: \$23.00/per animal + one trip charge

**H Form** - a document issued for intrastate movement of work, show or rodeo stock good for one-year from the date of issue.

Cost: \$16.00/per animal + one trip charge

Each form has a fee schedule assigned to it. Along with the form fee, brand inspectors charge a trip charge of \$11.25 for each time they come to do an inspection. Therefore, if you are planning on transporting your animal numerous times within the year it may be financially feasible to purchase a L or H Form. Discuss the possibilities with your brand inspector.

If you are planning on transporting or selling your livestock contact your county's brand inspector to do a physical inspection of your animal and provide you with a brand inspection paper. Find an inspector near you at:

<https://wlsb.state.wy.us/public-contacts>

**Health Inspections:**

All producers importing or exporting livestock into the State of Wyoming are required to have a health inspection from an accredited and licensed veterinarian. Animals moving within the state do not need a health inspection unless the venue they are traveling to requires it. This includes sheep, swine, goats and cattle.

Health inspection requirements:

- All required tests must be completed on each animal.
- Individual identifications must be written on the health certificate for each animal.
- All animals must be current on required vaccinations.
- Health inspections will need to include entry permit numbers from the state entering.

**EXHIBITORS** — Youth exhibiting livestock will need to check with show guidelines to be sure and include any required statements on the health inspections.
