DARRELL
ROTHLISBERGER

Hey Sweetwater County,

I have taken a Ranch Manager Position in Lyman Wyoming. My last day is August 30th. It has always been a dream of mine and so I'm going to go live the dream. This has been a great experience for me. The County is amazing, especially here in the office. The superintendents were awesome at the fair and the Events Complex was fantastic to work with. I've done this for a long time, and it is truly a great place for 4-H! I am not moving, I'll still live in McKinnon, so I would love to help with livestock projects if I can.

My personal email is darrell.rothlisberger@gmail.com.

WHY RECORD BOOKS?

Good record keeping is a skill you will use your entire life. AND, believe it or not, it CAN be fun!

4-H Record Books serve a variety of purposes in the 4-H Program. While society has changed, the goals of teaching record-keeping to youth remain the same:

- 4-H Record Books give members an opportunity to reflect on their yearly work. They document their skill development, learning experiences, achievement, and growth.
- 4-H Record Books encourage members to set goals and develop plans to meet those goals.
- Completing a 4-H Record Book is a process where 4-H members record projects and club work. Records management (RM) is an industry-standard practice of identifying, creating, classifying, archiving, and preserving records.
- The 4-H Record Book is an excellent tool to use when applying for college, programs, jobs, and scholarships.
- 4-H Record Books are an educational component of the 4-H Youth Development Program and are an excellent way to complete your 4-H project.

What do I put in my 4-H record book?

ZSUITE RECORD BOOK

Goals and Project Plan

You should set SMART goals at the BEGINNING of your 4-H year! You can start by adding record books for each project you will be doing during your 4-H year. These will be your Project Reports. Start working on your record book early! Think about what you've already learned in your projects, and about the things you'd still like to learn. Your goals should GROW with YOU!

Let's make it...

Specific
Choose one thing you want to improve or one skill you want to learn.

Measurable
What will you have at the end to know you reached your goal? Try to make it a number.

Attainable
Think about what you can get done with your 4-H year! Make it reasonable and challenging!

Relevent
Make sure your goal is related to your 4-H project. As you spend more years in a project, make your goals more challenging.

Time-Bound
Give yourself a timeline. You can have a short-term goal you finish in a couple weeks or months. Or a long-term goal that takes you all year.

Let's try it!

Practice writing a SMART goal...

Then make a Plan...

Some things to consider:

- Going to 2 practices a week.
- Watching videos online.
- Asking a leader, parent, sibling, or friend for help (especially for Juniors).
- Marking days on your calendar so you don't forget to keep working on the goal.
- Finding a friend with the same goal to help keep you going.
- **THE LIST GOES ON!**
- Going to monthly project meetings.
- Attending a clinic or a camp.

Talk about specific things you want to do to help you reach each of your goals! As the year goes on think about how your plan has gone. Whether it went well you you needed to make changes.

 - ...etc.
- How will you apply what you learned to other areas or to future years in the project?

Exhibit ©

Not all sharing experiences will have a placing/award.

What did you exhibit or share for your project?

- These will include:
 - indoor/static exhibits during fair
 - showing your animals
 - giving presentations on your project
- You should put a ribbon or placing if you got one, but other awards you got for your exhibits should go in the awards section (if you got a ribbon for your class and were an overall champion, just the class ribbon goes here)..

The Involvement Report will be added to every year
(All your 4-H years should be in one Involvement Report).
You can use the same Involvement Report every year or add previous years.

Annual Achievement Points (Gold, Silver, or Green).

- Usually you receive Achievement Points based on your Record Book. For the current year, you can select "None" from the list. You can edit this after you receive your Achievement Level.

- The year is the calendar year you are turning in your record book or receiving the Achievement Level.

- The Involvement Report can be added to every year, so once you get your Level, you can add it to your book so you don't forget for next year.

4-H Awards and Recognition

- Project placing ribbons (Purple, Blue, First, Second, etc.) should go in the Project Report they go with. Only list additional awards like Overall Champion, Best of Show, Outstanding Overall Exhibit, etc.
- Other awards that could go here:
 - Cash Awards, Scholarships
 - Seals, Certificates
 - Plaques, Trophies, Belt Buckles
 - Trip Awards

Leadership comes in many forms!

For younger members it can be as simple as leading a pledge, or seconding a motion.

Make sure your leadership responsibilities GROW with you

Leadership Types

- **Volunteer:** These are things you have signed up for or asked to do. Giving presentations, making motions, public speaking, helping with workshops or programs, judging events, or fairs.

- **Appointed:** Things you've been asked to do, like if you're asked to lead a pledge, or join a committee.

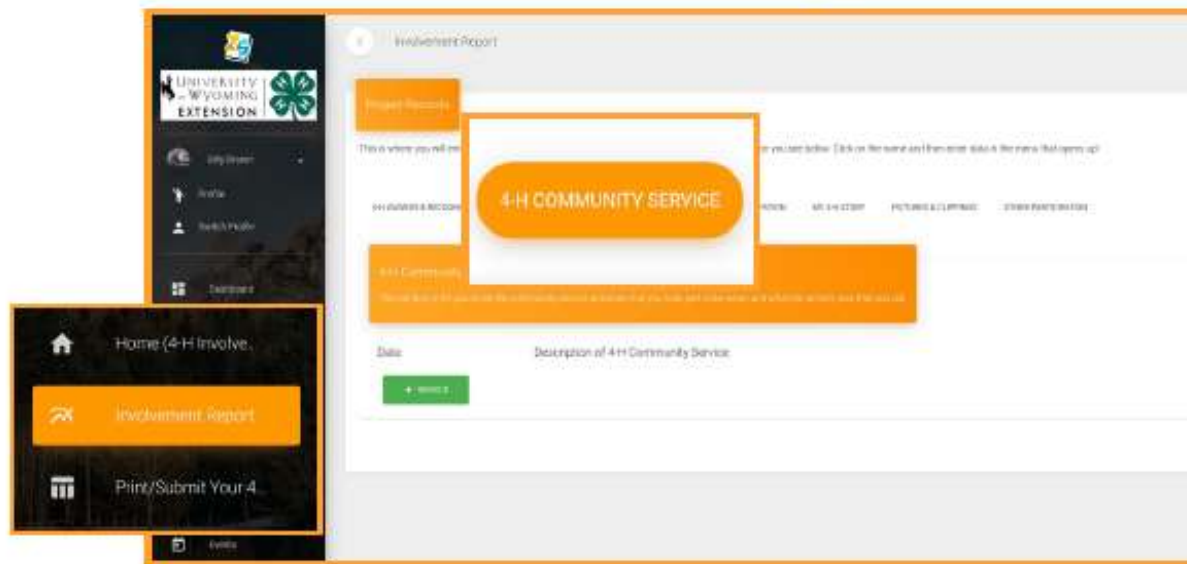

- **Elected:** Responsibilities people voted for. Usually this is holding a 4-H office like club secretary, president, etc. You can include just being nominated or running for an office (especially if it's your first time) as an appointed leadership role.

Don't just put a general activity, explain how the role applies to leadership. Don't forget dates to show your progress over the years!

***Don't leave blanks, put "N/A" if needed

The Involvement Report will be added to every year
(All your 4-H years should be in one Involvement Report).
You can use the same Involvement Report every year or add previous years.

Using your "hands for larger service"

- These are all the things you did during the year to help others out, without getting anything in return.
 - These can be things you do with your club, as a county, or on your own. Make sure you describe what you did, how much was collected, how many people helped or how many people received help! You might do some of the same activities every year so don't forget to put dates on your activities.

Some ideas:

- Donate to or volunteer at a soup kitchen, food pantry, animal shelter, disaster relief efforts, or other donation based charities
- See if you can make cards or spend time at a senior center or hospital
- Help with a road side clean up, or park or fairgrounds clean-up
- Adopt a family during the holidays (Make/donate meals, Angel Trees, Valentines, Easter Baskets, May Day, etc.).

***Don't leave blanks, put "N/A" if needed

The Involvement Report will be added to every year
(All your 4-H years should be in one Involvement Report).
You can use the same Involvement Report every year or add previous years.

Show what you've done this year!

- List all the activities you've done at the club, county, state, or national level.

Club Activities:

- Attending club meetings (save space and put how many you attended in one line), Club holiday parties, Club fundraisers

County Activities (activities with multiple clubs in your county) :

- Helping or participating in a 4-H carnival, County Fair, County Contest, Achievement Programs, County Project Meetings, Workshops, Classes or Clinics.

State Activities (activities with multiple counties):

- State Contests like Showcase Showdown, State Fair, State Shoot/Raton, Judging Contests, etc. WYLE, State Leaders Conference or other State events

National Activities (activities with multiple states participating):

- Citizenship or Leadership Washington Focus, National 4-H Congress, Western National Roundup, NILE, etc.

***Don't leave blanks, put "N/A" if needed

You should write a new story each year. It could follow the same general outline, but make sure you tell this year's story, and it's not the same story every year. This is a story, don't just write one or two lines. Show your growth!

Write about how your year in 4-H has been!
Talk about how your time in 4-H has helped you feel good about yourself, influenced you in school, your career goals, or your free time.

Some things you can include in your story:

- Introduce yourself:
 - Your name, what grade you're in, how many years you've been in 4-H.
- Highlights from your 4-H projects and activities (what did you enjoy, what didn't go like you thought it would, what might you do differently next year?)
- What did you enjoy most about your 4-H year?
- What was the most successful part of your 4-H year?
- What did you learn in 4-H this year (that you maybe haven't talked about as part of your projects)?
- Did you have any challenges? What happened? What did you do?
- What leadership or community service or other activities did you learn the most from?
- Did you use the things you learned in 4-H in other parts of your life?
- How was this year important to you?
- What are your future plans in 4-H? What are your future plans for school or for a career?
